Life after Open Water & Beyond
Learn more of what Aquatic Dreams has to offer

You have your Open Water Certification and so you may be asking, "**What do I do now?**" Maybe you are still thinking about becoming a Diver and want to know more about what is out there for you.

We have the answers! Come join Aquatic Dreams and Barry Dunford from PADI on **May 27th at 6:30pm** and find out for yourself. You **DO NOT** have to be a diver to attend. **Print this flyer and bring a non-diving friend and get extra bonus credits :)**

We will be going over many of the programs that are scheduled over the next few months. For those divers who are looking to take their diving passion to the next level we will also be diving into what it takes to have a career in SCUBA by become a PADI Dive Professional.

It will be a great evening of diving adventures, raffle prizes and much more.

We look forward to seeing you all there.

If you are planning on attending please RSVP at **209-577-3483** or just show up.

We're here to help you!

Sincerely,
Scuba Steve
